Subject: PSC Website Comments:

Gentlemen i am writing to you about the future raise that SCE&G is requesting. I like many others know that this is not the proper time to be asking for a new raise and after seeing what their upper echelon is being paid and their Bonuses. With my being in my late sixties i am retired and i have never received a raise to even compare to what they are asking for.

I hope you take this in consideration and disapprove the raise and force SCE&G to reevaluate and cut costs internally
Thanks for your time
